All returns are net of manager fees but before other fees and expenses charged by the WSIB. Private Equity and Real Estate market values are calculated using the most current market values adjusted for cash flows since that valuation date. Private Equity and Real Estate returns are as of the latest quarter available (currently December 31, 2003) and are only updated on a quarterly basis. Defined contribution assets are not included in this report. Returns for each DC option can be found on the plan's website.
